## HURRICANE HAUL OUT RESERVATIONS

Is your vessel ready for the upcoming hurricane season? Ensure you're in compliance with your yacht insurance by securing a haul-out spot now. White River Marine Group, LLC is proud to manage the Hatteras Yachts facility in New Bern, NC, and we're currently accepting reservations for haul-outs during named storm events.

Our facility boasts nearly 100 acres of prime location along the Neuse River in Eastern North Carolina, making it the ideal choice to keep your yacht safe when a storm hits.

We're equipped to accommodate yachts ranging from 30 feet to 90 feet with our 75-ton and 150-ton travel lifts. For those with vessels exceeding 90 feet, we encourage you to reach out anyway, as we may have alternative solutions available.

To learn more or to make a reservation, please contact Hunter McClintock at [hmcclintock@whiterivermg.com](mailto:hmcclintock@whiterivermg.com) or by calling 252-633-3101 ex.2.

Remember, even if you haven't made prior arrangements with us and a storm is on the horizon, don't hesitate to get in touch. We'll do our best to assist you.
